THE SILAS HOME OPEN HOUSE

New Journeys/New Testimonies: A Christ-centered Reentry Home for Men in NW Tucson

We are so grateful for the outpouring of support and donations given to The Silas Home from the community and church family. Because of your giving the residents at The Silas Home will be living in a beautiful, clean and safe home.

The Silas Home Reentry Housing for Men is a Christ centered home where men will be disciplined, equipped and empowered. During their stay at The Silas Home the men will be given the opportunity to make changes in their lives, build a strong relationship with Jesus Christ and successfully reintegrate back into society. Upon completion of the program the residents will be celebrated with a graduation ceremony.

See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland. Isaiah 43:19

We at Bridge Prison Ministry thank everyone who attended the Open House.

A very special thanks to Humberto Lopez and Dan Marries for attending.

To the greatest volunteers who made the open house such a huge success.

The Reentry Mentor Program is making a huge impact to the men and women reentering society.

We are so proud of the men and woman who are staying the course and working hard to maintain the life skills needed to reach their full potential. Participants are completing their parole and/or probation sooner than the projected date. Others are reducing their level ranks of intensive probation. Maintaining employment, moving into their own apartment/house, rebuilding trust and restoration with their families.

DEVOTIONAL THOUGHT

We read in Numbers 16:46-48

A plague is happening among the Israelites and Moses tells Aaron to take a censer from the altar and we read in verse 47 that Aaron takes the censer and runs into the midst of the assembly. We see Aaron in verse 48 that he stood between the dead and the living, and the plagues stopped!

The plague today is recidivism and we in Bridge Prison Ministry are like Aaron, every volunteer, leader, every intercessor, board member, we are 'positioned' and serving and we stand between the dead and the living! We stand between the former inmate going back to their old life and reoffending.

Be encouraged! You are making an eternal impact in so many lives for God's Kingdom!

Pastor Jan Anderson

SPOTLIGHT - SECOND CHANCE:

Second Chance Month, observed during April, is a nationwide effort to raise awareness. This month, we celebrate those who have exited the prison system and successfully reentered society.

More than 600,000 individuals return to their communities from State and Federal prisons every year. Transitioning back into society can be overwhelming for those who are formerly incarcerated as well as their families and communities.

We all have the opportunity to reach our full potential. And after making a wrong choice, we want a chance to make it right and rebuild.

Bridge Prison Ministry is committed in assisting these men and women as they transition from incarceration into society.

“I was in prison and you came to visit me” Matthew 25:36

BPM is committed to building on these accomplishments and ask you to partner with us by giving a monthly donation or a one-time gift to BPM at www.bridgeprisonministryaz.org.
