I understand that I am responsible for my housing and drug testing fees. I further understand that AHCCCS insurance will not cover my stay, nor be billed for any portion of my stay including lab, drug testing, or housing fees.

I understand that any housing fees paid for in advance (prepaids) beyond the weekly amount outlined above are non-refundable, if resident discharges early.

While our preferred length of stay is **180 days**, it is completely dependent on the participant's motivation to do the work and participate in one's own recovery. This length of stay can be extended based on participation.

6. Any use of **illegal drugs, alcohol, or any mind-altering substance** will result in immediate discharge from the premises. Any consumption of **alcohol or drugs** by the resident on or off the premises will terminate this agreement. Though **marijuana is legal, use is prohibited**. That goes for medical marijuana as well.
7. Any overuse of prescribed medication may result in immediate discharge.
8. This is a reentry sober living environment with zero tolerance for alcohol or drug use. Premises shall be, always, alcohol and drug free.
